

STCW Basic Safety Training for Seafarers

Book at maersktraining.com

AVAILABLE LANGUAGES

English, Norwegian

The course provides participants with the basic knowledge, understanding and practical skills required to respond to emergencies, protect themselves and others, and contribute to safe operations onboard ship. The training covers the competence requirements of STCW Tables A-VI/1-1, A-VI/1-2, A-VI/1-3 and A-VI/1-4.

Essential Information

Prerequisites

No prerequisites.

Who is it for?

Seafarers who will serve onboard a vessel, regardless of position or function. The course represents the mandatory minimum basic safety training requirement for seafarers.

Assessment

Participants must pass a written test with a minimum score of 80%. The written assessment is designed so that the 80% pass mark meets the Norwegian Maritime Authority requirement for full achievement of the required competence. All required practical exercises must be completed. Participants are observed individually by the instructor during practical exercises. The instructor assesses whether the participant demonstrates the required knowledge, understanding and practical skills in accordance with the applicable minimum competence standards.

Certification

Upon successful completion you will receive certification covering the competence requirements of STCW Tables A-VI/1-1, A-VI/1-2, A-VI/1-3 and A-VI/1-4, valid for 5 years
