

Treinamento Básico de Segurança STCW para Embarcações Menores

Reserve em maersktraining.com

IDIOMAS DISPONÍVEIS

Inglês, Norueguês

O curso fornece aos participantes o conhecimento e as habilidades práticas necessárias para manter a segurança da embarcação e da tripulação durante operações normais e situações de emergência a bordo de embarcações menores.

Informações essenciais

Pré-requisitos

No prerequisites.

Para quem é?

Seafarers who will work onboard vessels under 24 metres in length operating in small coastal trade.

Avaliação

Participants must pass a written test with a minimum score of 80%. The written assessment is designed so that the 80% pass mark meets the Norwegian Maritime Authority requirement for full achievement of the required competence. All required practical exercises must be completed. Participants are observed individually by the instructor during practical exercises. The instructor assesses whether the participant demonstrates the required knowledge, understanding and practical skills in accordance with the applicable minimum competence standards.

Certificação

Upon successful completion you will receive certification valid to 5 years

Course content

• Emergency Situations

Recognition of emergency situations and appropriate actions to protect the vessel and crew.

• Survival Craft and Rescue Boats

Purpose and use of survival craft and rescue boats during emergency situations.

• Sea Survival

Personal survival techniques and actions required to survive in the water.

• Evacuation

Emergency evacuation procedures and actions during abandonment of the vessel.

• Personal Lifesaving Equipment

Use of personal lifesaving appliances and equipment.

• Fire Prevention

Measures to minimise fire risks and maintain readiness to respond to an incipient fire.

- **Firefighting Equipment**

Practical use of portable fire extinguishers and relevant firefighting equipment.

- **Burns and Scalds**

First aid treatment for burns and scalding injuries.

- **First Aid**

General first aid principles and immediate response to injury or illness onboard.

- **Personal Safety**

Personal safety responsibilities and safe behaviour onboard.

Key Learning Objectives

01 L01 — Respond appropriately to emergency situations and carry out evacuation procedures.

03 L03 — Apply appropriate personal survival techniques in the water.

05 L05 — Use portable fire extinguishers and relevant firefighting equipment.

07 L07 — Provide appropriate first aid for burns and scalds.

02 L02 — Describe the use of survival craft, rescue boats and personal lifesaving equipment.

04 L04 — Apply measures to minimise the risk of fire and respond appropriately to an incipient fire.

06 L06 — Apply general first aid principles during an onboard emergency.

08 L08 — Apply appropriate personal safety practices onboard.
